

Dear Competitor,

On behalf of Your Captain we would like to offer you a unique opportunity of fulfilling a boyhood dream. If you are like us and have loved football from an early age you must have dreamt about playing football at a premiership stadium. Well not only are we giving you the opportunity to live that dream but at the same time raise some money for a fantastic cause.

On 16th May, 2010, Blackburn Rovers have generously donated their wonderful stadium to allow us to put on **Fundraising Football**. The day will comprise of the following which will be provided as part of this exciting and unique package.

- Guaranteed football playing time on the full pitch at Ewood Park
- Use of the players dressing rooms and facilities
- Full kit provided to each team(excluding boots and shin pads)
- Star guest managers/Professional officials
- Mementoes of the day
- A Gala Dinner and entertainment catered by the famous 'northcote at the rovers' to round off your momentous day

We are asking that each player raises a minimum of £250 sponsorship towards their team's total.

We will help you to collect this money by providing each team with a customised justgiving web site. Our recommendation is that each team is made up of 15 players with rolling subs being used, giving each player plenty of time to maximise this unique experience.

By doing this you will easily help to achieve the minimum requirement of £3750 per team. The money you raise will be supporting a very worthy charity. This is the **Royal Manchester Children's Hospital Charity**, Reg Charity Number 1049274.

As co-organisers we guarantee that 100% of all monies raised through your team's participation in the event will go straight to the nominated charities.

We sincerely thank you for your support and promise to make this an event to remember.

Regards from the Organising Team

Sheldon Bean, Nigel Woolfstein, Nigel Haworth, Craig Bancroft, Claire Arnold, Laura Coughlin, Lyndon Tomlinson, John Newsham
