Join us in raising a glass of her wonderful creation and wishing her the best of luck in Monaco later this year.

CANDY FLOSS **£14.50**

VANILLA-INFUSED VODKA, MILK CLARIFIED MIX, TIMUR BERRY CORDIAL,
RASPBERRY, AND GINGER FOAM

We use smooth and velvety Edwards Potato vodka infused with Vanilla pods in the cocktail's base.

For our mixer, we have a well-balanced combination of cold-pressed Pineapple Juice, Fino Sherry, Sour Mix and Raspberry Syrup.

All these ingredients are clarified with milk to deliver a light, fruity, smooth, refreshing mixer.

We use a Timur Berry cordial for an exotic flavour, bringing a lively pepper bursting, floral aromas, and citrus that tastes like grapefruit.

Finally, we finish with airy light and spiced raspberry and ginger foam.

The cocktail is served in frozen LEVITAS Flute glass, kindly provided by our partners from Onis Glassware.

Should you have any allergies or intolerances, please ask a team member who will gladly assist. All prices are inclusive of VAT at the current rate.
A 12.5% discretionary service charge will be added to your bill.

LOCAL GIN

BEE'S KNEES OLD TOM - Lytham

£11.00

Flavoured - A take on the traditional sweetened style of gin known as an Old Tom.

It is a well-balanced gin that has been sweetened by adding raw organic honey collected from local hives & lavender, pink peppercorns & a hint of lime is added.

POSITIVELY PURPLE - Lytham

£11.00

A magical colour-chaining gin is bursting with the flavour of blueberries. Deceptively dry, this smooth, juniper-led gin has been made with nine carefully selected botanicals. It works well with tonic, lemonade, or, on its own, over ice.

ZESTY ORANGE - Lytham

£11.00

A deliciously aromatic, naturally sweetened gin infused with fresh citrus flavours. Lytham Gin's Zesty Orange is lovingly crafted using carefully chosen complimentary botanicals, including star anise and vanilla. This lightly spiced elixir works perfectly with an Indian tonic and a slice of your favourite citrus fruit.

SHEEPTOWN - Skipton

£11.00

Juniper Led - A very special gin to all of us here at Northcote. It is produced with only the most natural local botanicals. We bring the right wine company's gin from just over the border in Skipton.

Julian and the team at Whittaker's have produced a new Northcote favourite.

BATCH - Burnley

£10.00

Spice - Made in Burnley, this local gin features fresh bursts of juniper followed by a mix of spices, including cloves and liquorice. A mild floral element balanced with earthy undertones makes the Batch wonderfully flavoured and balanced.

CUCKOO SUNSHINE - Brindle **£11.00**

Flavoured - Made with natural honey produced by Lancashire honeybees on the cuckoo brindle farm. A burst of fruit from raspberries that have been infused provides an instant taste of sunshine! Honey, as a substitute for sugar, helps create a smooth and sweet gin.

CUCKOO SPICED - Brindle **£11.00**

Spiced - Spice is the first thing this gin brings to the table, but it's such a desirable warming spice, almost like a Christmas Eve by the fire. Cuckoo recommends ginger beer with this one! Hits of cinnamon and clove balanced with a lovely rose note on the finish.

GOOSNARGH GIN – Chapter #1 **£11.00**

Floral - The signature. It was created to celebrate the area in which this gin is distilled. It is verdant and herby and uses 14 organic botanicals found naturally around the forest of Bowland. The distillers recommend Fever Tree Mediterranean Tonic.
