LOCAL GIN

BEE'S KNEES OLD TOM - Lytham

£10.40

Flavoured - A take on the traditional sweetened style of gin known as an Old Tom.

It is a well-balanced gin sweetened with raw organic honey collected from local hives, lavender, pink peppercorns, and a hint of lime.

POSITIVELY PURPLE - Lytham

£10.40

Flavoured - A magical colour-chaining gin is bursting with the flavour of blueberries. Deceptively dry, this smooth, juniper-led gin has been made with nine carefully selected botanicals. It works well with tonic, lemonade, or, on its own, over ice.

ZESTY ORANGE - Lytham

£10.40

Flavoured - A deliciously aromatic, naturally sweetened gin infused with fresh citrus flavours. Lytham Gin's Zesty Orange is lovingly crafted using carefully chosen complimentary botanicals, including star anise and vanilla. This lightly spiced elixir works perfectly with an Indian tonic and a slice of your favourite citrus fruit.

SHEEPTOWN - Skipton

£10.60

Juniper Led - A very special gin to all of us here at Northcote. It is produced with only the most natural local botanicals: the Wright Wine Company's gin from just over the border in Skipton.

Julian and the team at Whittaker's have produced a new Northcote favourite.

BATCH - Burnley

£10.00

Spice - Made in Burnley, this local gin features fresh bursts of juniper followed by a mix of spices, including cloves and liquorice. A mild floral element balanced with earthy undertones makes the Batch wonderfully flavoured and balanced.

LOCAL GIN

CUCKOO GIN - Brindle

£11.70

Citrus - Made in the heart of Lancashire on a farm in Brindle using 16 botanicals, it is most definitely complex, leaving a highly delectable sweetness alongside its spicy and citrus notes.

CUCKOO SUNSHINE - Brindle

£11.70

Flavoured - Made with natural honey produced by Lancashire honeybees on the cuckoo brindle farm. A burst of fruit from raspberries that have been infused provides an instant taste of sunshine! Honey, as a substitute for sugar, helps create a smooth and sweet gin.

CUCKOO SPICED - Brindle

£11.70

Spiced—Spice is the first thing this gin brings to the table, but it's such a desirable warming spice, almost like Christmas Eve by the fire. Cuckoo recommends ginger beer with this one! Hits of cinnamon and clove are balanced with a lovely rose note on the finish.

GOOSNARGH GIN – Chapter #2
